Bridal Make-up: Planning for your big day is a time you have always dreamed of. Everything from trying on the dress to choosing your photographer and venue. Hair and makeup are such an important piece to completing your overall look.

One very important detail on your wedding day is your bridesmaid's makeup. Consistency is key for great images and when your bridal party is all done by the same makeup artist they can plan for consistency. As a makeup artist specializing in bridal parties, I find it makes a huge difference. If you want professional photos, with your entire bridal party in sync.

While for a bride, my goal is to enhance the individual's beauty, I look at the bridal party as a whole. I ensure that the makeup matches the dresses, doesn't upstage the bridal makeup, and is appropriate for the theme of the wedding.
